

# Mini-Flute

Colorbond®

## Mini-Flute Fence Panel

Fielders Mini-Flute can create a modern appearance through to a heritage look. This versatile fence screening can be used as a privacy screen or a multiple panel boundary fence.

The Mini-Flute sheets slot into a specifically made roll-formed steel channel that ultimately provides a neat frame for the sheets. The centre support rail provides additional strength and is required on one side only.

- Ability to be interchanged with other Fielders Fencing profiles.
- Available in a diverse range of colours and finishes, there is a look for every individual.
- Short lead time means you aren't left waiting for your new fence.
- Ease of installation allows you to save costs.
- Also available with lattice, slat lattice and gates.
- New rail design that ensures a perfect fit for sheets.

NOTE: For minimum footing size, refer to Fielders website. Size varies based on height, soil type and wind zone.
